#### ANDHRA PRADESH ELECTRICITY REGULATORY COMMISSION

FIXATION OF CONTROL PERIOD IN RESPECT OF REGULATION No. 1 OF 2008 CONTAINING TERMS AND CONDITIONS FOR DETERMINATION OF TARIFF FOR SUPPLY OF ELECTRICITY BY A GENERATING COMPANY TO A DISTRIBUTION LICENSEE AND PURCHASE OF ELECTRICITY BY DISTRIBUTION LICENSEES.

#### INTRODUCTION:

The Commission had notified the said Regulation No. 1 of 2008 on September 01, 2008. Accordingly, the Regulation came into force with effect from September 01, 2008 as specified at clause 1 (iv) of the Regulation.

#### CONTROL PERIOD:

The “Control Period” is defined at Clause No 2.i.(m) as reproduced below:  
“Control Period” means a multi-year period fixed by the Commission from time to time, usually a 5-year period, the first Control Period however ending on 31<sup>st</sup> March, 2009.

#### FIXATION OF CONTROL PERIOD:

For the purpose of applicability of the said Regulation No. 1 of 2008, the Commission, after careful consideration, has decided as follows:

- (i) First Control Period shall be the seven-month period from September 01, 2008 to March 31, 2009.
- (ii) The Second Control Period shall be the five-year period from April 01, 2009 to March 31, 2014.

The above decision shall come into force with immediate effect and shall be applicable to all applications for determination of Multi-Year Tariff under Regulation No. 1 of 2008 pending before the Commission as on date.

(BY ORDER OF THE COMMISSION)
